Together we CAN make a difference....

We need your help...

There certainly is a great need for the basics, such as food, here in our own West Sacramento Community.

Once a month, volunteers pack and distribute approximately 120 boxes of food for those in need in our local community.

A box of food will not feed a family for a month, but a food supplement with 5-7 days worth of food could mean one less stress (maybe one less argument) for families struggling to make ends meet.

We are here to assist our community...

We don't deny food boxes to anyone, and we have found many hungry people at our doorsteps on food distribution days.

How do we do it?

We currently purchase food from the Yolo County Food Bank. Our shopping agreement does not meet the demand we see on a monthly basis. We need further partnering in order to help more families. Sadly, our clientele is expanding.

Community gathers to pack food boxes

We are seeking assistance from the community.

How can you help?

- Volunteer
- Cash
- Non-perishable food items
- Large sized paper bags
- Ability to purchase items in bulk at discount

There is no better way to see the effect of your donation, than to attend Out of the Box packing days (usually the 3rd Sunday of the month) or one of our distribution nights (usually the 3rd Thursday of the month from 6:30 pm to 7:30 pm)
